

The Beavers Charitable Trust Scholarship Application Form

Purpose

The purpose of the Beavers Trust Scholarship Program is to provide college scholarship awards to students who have shown a career interest in engineering or construction management with an emphasis on heavy construction.

Awards

Up to thirty undergraduate scholarship awards are available in amounts up to \$10,000 annually. Awards are for one year only, but recipients may re-apply for a second year. All scholarship awards will be paid to the student's school for the benefit of the student's account.

Eligibility and Selection Criteria

1. Applicants must be full-time undergraduate students, attending a 4-year accredited college or university, which is one of several participating colleges or universities approved by the Beavers Charitable Trust.
2. Applicants must be majoring engineering or construction management.
3. Applicants must have completed at least one (1) year of college credits by the time the award is received.
4. Applicants should have a professional goal of achieving a career in the heavy construction industry as established by either of the following:
 - Completed, or have a committed interest in pursuing part-time or full-time summer employment or an internship in the heavy construction industry with a heavy civil contractor or construction-oriented engineering firm. If the applicant has already completed an internship or such part-time or full-time employment, a positive evaluation or letter of recommendation from the employer would be beneficial and should be included with this application.
 - Previously and/or currently enrolled in heavy construction course curriculum at their university.
5. Applicants must submit names and email addresses of two Professors (Engineering or Construction Management) for us to request a letter of recommendation attesting to the applicant's demonstrated interest in the Heavy Construction industry. If we do not receive at least one letter of recommendation, the application will not be processed.
6. Applicants are required to have a minimum cumulative GPA of 3.0 as shown on applicant's transcript or record of classes with grades. This can be an unofficial transcript.

The Beavers Trust Scholarships are awarded without regard to race, sex, religion, age, national origin or sexual orientation. However, applicants are asked to disclose gender and race in order to assist The Beavers Charitable Trust Scholarship Committee in promoting diverse representation in the Heavy Construction industry. The Beavers Charitable Trust will not award scholarships to applicants who are not qualified and reserves the right not to award a scholarship in a given year.

Application Requirements

To be considered for a Beavers Trust Scholarship Award, applicants must complete an application and return it to the office of the Beavers Charitable Trust by **January 24, 2025**. The application must include:

1. A completed application form. *Only completed application forms will be considered.*
2. Please provide names and email addresses of two Professors of Engineering or Construction Management - we will contact them directly to request letters of recommendation attesting to the applicant's demonstrated interest in the Heavy Construction industry.
3. An academic transcript or record of classes with grades for all college level classes completed including GPA. An unofficial transcript available through your student portal is acceptable.
4. A one-page (< 250 words) essay stating why he or she was drawn to study engineering or construction management and how he or she hopes his or her studies and subsequent career will contribute to the effort to improve the nation's infrastructure through a career in the Heavy construction industry.

Submission of Application Form

The application form starting on this page is a fillable PDF file. Fill it out completely electronically, then "Save a Copy". Note that the application requires a signature. You may provide an electronic signature, or print out the completed application, sign it and either scan it as a PDF or mail in the printed application.

For the essay, you may use the page included in this application form or attach a separate page.

APPLICATION FORM THE BEAVERS CHARITABLE TRUST

Scholarship Committee
2053 Grant Road, Ste. 370
Los Altos, CA 94024
(650) 694-4835

Completed application forms should be sent as a pdf file to dave.woods@thebeavers.org. Please include applicant's last name as part of the file name.

Alternatively, completed printed applications may be mailed to:

The Beavers Charitable Trust
Scholarship Committee
2053 Grant Road, Ste. 370
Los Altos, CA 94024

Submission of College Transcript

You can also print out and send (PDFs for email are acceptable) your record of grades and classes from your online student account at your university. We are allowing this as we know the timeline for application for this scholarship is short. Email all record of grades and classes to dave.woods@thebeavers.org.

Submission of Letters of Recommendation

Please provide names and email addresses of two Professors of Engineering or Construction Management - we will contact them directly to request letters of recommendation attesting to the applicant's demonstrated interest in the Heavy Construction industry.

[It is encouraged to email the completed scholarship application, transcript/record of classes and grades in one email to dave.woods@thebeavers.org](#)

Questions about the application process may be directed to dave.woods@thebeavers.org or 650-694-4835

Note that all application materials must be received by **January 24, 2025**.

A. General Information

Applicant's First Name _____ Last Name _____

E-mail address _____

Home Address _____

City _____ State _____ Zip/Postal Code _____

Phone Number _____ Student ID# _____

School Address (if known)

Address _____

City _____ State _____ Zip/Postal Code _____

Phone Number _____

Gender _____ Race _____

B. Education Information

School Applicant will attend next fall _____

Department and Major _____

Department Address _____

City _____ State _____ Zip/Postal Code _____

Country _____

Check the class level you will be in next year. Sophomore Junior Senior

Expected Graduation Date _____

Degree Expected _____

What was your grade point average last semester (A=4.0)? _____

What is your cumulative grade point average (A=4.0)? _____

Schools Previously Attended

Colleges & Universities	Dates Attended	Degree Earned (if any)
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Current and Past School Activities and Honors:

(ASC Estimating Competition, ASCE Steel Bridge or Concrete Canoe.... other engineering clubs?)

Community Activities and Honors:

Employment Information

Please list your employment history, including dates, starting with your most recent job. Include job title/description. Place an asterisk (*) before any company where your involvement was in the heavy construction industry with a heavy civil contractor or construction-oriented engineering firm.

Date	Company Name	Job Description	City, State
<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>
